

Jeff, Abby, & Elizabeth Tumelo Hunt

Greetings Family and Friends!

It's beginning to look a lot like Christmas around here! Braais (grills) are coming out, kids are finishing school, decorations are going up, swimming pools are being cleaned, fruits and flowers are in full bloom... yes, summer is here! Let's just say that my Christmas snowmen look just a little out of place here! We don't dream of a white Christmas, but we do appreciate cool rain!

December is a month filled with both joyous expectation and thoughtful nostalgia. It's a month

for looking back on the year that is ending and looking ahead at all the possibilities of a fresh new year beginning. As we look back on the year 2012, we feel a swell of gratitude. We are so grateful to our Heavenly Father for leading us to South Africa and for directing every season of ministry here. We are grateful for our growing family and this little girl who wakes us up at night, keeps our hands full during the day, and fills our hearts to overflowing. We are grateful for our ministry partners who "run the race" with us every week. And, we are grateful for friends here in South Africa who work and minister with us. God has truly blessed us "beyond what we could ask or imagine!"

Thank you for walking this road with us as, together, we fulfill our part of the Great Commission. It is such a blessing to link arms with "kindred spirits" as we strive to engage the kids of South Africa in "life to the full" as Jesus envisioned!

On the following pages, you will find some of the highlights of 2012 in pictures taken throughout the year. As you see what you have been part of this year, take a few moments to thank God for all that He has brought about through our team!

As you look at the photos and praise God for what He has been doing in South Africa in 2012, please also ask God to speak to you about how you can be involved in 2013. Could you commit to pray daily or weekly for us and for EA? Will you begin or continue a financial investment? Can you organize, participate in, or help finance a missions trip? Do you know someone who would benefit from (and be a benefit through) an internship with us? Are you able to invest in our 2013 project? Do you know someone who would be interested in making an investment to help us establish Engage Africa as a non-profit in South Africa and buy property to build a ministry center?

We have set a BIG project goal for 2013. The goal is to raise \$300,000 to fund phase 1 of Engage Africa's **Hope Ministry Center** in South Africa. Phase 1 includes: establish Engage South Africa (SA non-profit), purchase property, establish infrastructure for water and electricity, build a baby shelter, 2-4 foster homes, and staff homes. Want to get involved? Mail your check to the address at the bottom or give online by following the project link on the home page of our website.

ENGAGE AFRICA 2012

Weekly home visits to Tapologo clinic patients and HOPE Church members in Freedom Park

Baby Beth arrived at 8am on 17 August 2012
