

Submission Success!!

And now, it's out of our hands. Our application for rezoning the Hope property to accommodate orphan care, Hope Church, and a community center has been submitted! There are several processes that must happen before it can be considered for approval, but all of those are out of our hands.

Now we continue to pray for favor as our application circulates through the appropriate departments and committees until it is approved.

Ready or not, here we come!

Preparations are in full swing for our annual Stateside "tour!"

Check out our schedule on the next page.

We would love to connect with you if we are close.

Thank you for continuing to pray for our family as we travel, for the rezoning paperwork, and for fundraising miracles as we prepare for phase 1 of building on the property (keep watching email and FaceBook for more details)!!
