

# 2016 A YEAR IN REVIEW

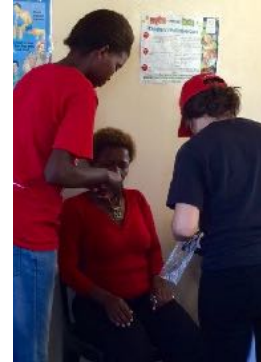

Installed Pastor Walter Gabe as our associate pastor and started support for our first missionary

People experienced God in new and deeper ways. Many made commitments to follow Him whole-heartedly... forsaking all others!

4 different American teams visited. They worked hard and helped in many areas including construction projects, eye exams, kids' outreaches and conferences for men, women, and youth.

Administered eye exams and distributed more than 300 pairs of donated reading glasses

Provided monthly formula and diapers to 28 babies whose mothers are in great need.

**Thank you!!!!**  
Our ministry partners are the backbone of Engage Africa. With your help, 2016 has been a great year. We love you!  
Haven't given yet this year or looking for a perfect end-of-year donation to make? visit [www.engageafrica.com](http://www.engageafrica.com) or mail your check to Engage Africa, 2250 W. Highland Ave. Elgin, IL 60123

Renovated the old police container to use for Hope Church services. ...Of course, now we are growing, and we are nearly out of space in our "new" home. What a great "problem" to have!

New van to pick up people who can't walk the distance to Hope Church.

Installed shade cloth next to the "new" church building for overflow seating.

26 people baptized in water

Praying for newly elected community leadership

**2016 Interns**
